RESPONSE TO REQUEST FOR INFORMATION UNDER 37 CFR § 1.105

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

In response to the specific Request for Information Under 37 CFR 1.105 mailed on February 27, 2006, applicant submits respectfully that the KeyCite System, referenced in the cited trademark registrations, is believed to have been first made available for public use on July 21, 1997 as indicated in the attached press release. The beta testing described in the press release was conducted under confidentiality agreement. Additionally, based on this public release, applicant's representative submits that it believes that the first offer for sale occurred on or soon after the public release date. Thus, the effective filing date of the present application is believed to have occurred no more than one year prior to the first public use and the first offer for sale of the KeyCite System.

This response is accompanied by a Petition, as well as the appropriate fee, to obtain a one-month extension of the period for responding to the Office Action, thereby moving the deadline for response from May 27, 2006, to June 27, 2006. If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

The Examiner is invited to telephone Applicant's attorney at (612) 349-9593 to facilitate prosecution of this application.

Respectfully submitted,

FORREST RHOADS ET AL.
